

Be part of the newest one-day material handling conference in 2017. *Material Handling Network* and *Material Handling Wholesaler* are partnering to bring you the inaugural **Midwest Material Handling Huddle Conference** in Rolling Meadows, IL on Wednesday, June 7<sup>th</sup>.

This event is full of opportunities for you to reach this dedicated group of over 140 material handling leaders in the Upper Midwest. In addition to conference event sponsorships and tabletop display booths, we are offering advertising opportunities in the official MH Huddle conference program. To be included in the program, you must either attend the conference, be a sponsor or exhibitor.

The official MH Huddle Conference program will include the agenda, keynote speaker bios with complete PowerPoint presentations, the exhibitor floor plan with a list of exhibitors, list of conference sponsors and pages to write notes for later use. This valuable guide will be something each registrant will keep and use throughout the year.
